## Pre-requisite Courses

**Waived:** Students must fulfill the following pre-requisite courses through their previous educational or work experiences. If a student has not met these requirements elsewhere, they must complete the following courses in addition to the requirements of the graduate degree. These classes do NOT count toward the graduate degree requirements. All pre-requisite courses must be completed with a grade of B or higher with the exception of the English Language Support course which can be fulfilled with an S grade. (RG 7870)

**This requirement has been waived**  
ENGLISH WAIVER  
Entered by: EMM148

## Master of Science in Information Science

**Satisfied:** Master of Science in Information Science- General Plan of Study  
Students must achieve a cumulative GPA of 3.00 or higher, earn a minimum of 36 credits, and complete the following Foundations, Cognitive Science, Systems and Technology, and Elective requirements. Additionally, students must earn a GPA of 3.00 or higher for all classes counting toward the degree. (RG 7510)

Cumulative GPA - **Satisfied**

· **GPA:** 3.000 required, 3.771 completed
